Report on the Financial Statements of Crown Agencies for Years Ending in the 2012 Calendar Year

1.0 PURPOSE

The purpose of this Report is to inform the Legislative Assembly of our Office's views on the financial statements of Crown agencies audited by appointed auditors for years ending in the 2012 calendar year. This Report does not include our views on the financial statements of Crown Investments Corporation of Saskatchewan (CIC) and its related entities. We provide our views on those entities in a separate report.

2.0 BACKGROUND

The Assembly allows the Government to appoint auditors to examine and report on certain Crown agencies. The Provincial Auditor, however, retains overall responsibility for the audits of all Crown agencies.

In June 1994, the *Report of the Task Force on Roles, Responsibilities and Duties of Auditors*¹ recommended how the audit system for CIC and its subsidiary Crown corporations could function more efficiently and effectively. In April 1995, Treasury Board decided that all Crown corporations and agencies should comply with the Task Force's recommendations. Our Office, Crown agencies, and appointed auditors use the Task Force's recommendations to better serve the Assembly's needs. The Task Force recommended that we give the Assembly a report listing the agencies in whose audits we participated.

The objectives of each audit are to form the following opinions and to report the results to the Assembly.

- › An opinion on the rules and procedures used by the agency to safeguard public resources.
- › An opinion on the agency's compliance with the authorities governing its activities related to financial reporting, safeguarding public resources, revenue raising, spending, borrowing, and investing.
- › An opinion on the reliability of the agency's financial statements.

In our *2012 Report – Volume 2*, we reported the results of the audits that were completed by October 31, 2012. We will report the results of the remaining audits in 2013. The appointed auditors' reports on the reliability of each Crown agency's financial statements are attached to the respective financial statements.

The Government's summary financial statements include the financial results of all Crown agencies controlled by the Government. *Public Accounts 2011-12 – Volume 1*

3.0 RESULTS

We participated in all audits of Crown agencies, except as noted below.

Figure 1 includes all Crown agencies whose accounts are audited by appointed auditors. It lists the appointed auditor's name, the agency's year-end date, whether we participated in the audit, and whether the agency's financial statements are reliable.

ⁱ Consistent with prior years as part of our annual audit of the funding agency, we would examine the supervisory work carried out by the funding agency over STEP.

ⁱⁱ We rotate our audits of the seven regional colleges, i.e., we do not audit every regional college each year. We participate in the audits of three regional colleges each year.

ⁱⁱⁱ We rotate our audits of the 28 school divisions i.e., we do not audit every school division each year. We participate in the audits of at least 9 school divisions each year. We reviewed the opinions of the appointed auditor on the reliability of financial statements, effectiveness of processes to safeguard public resources, and compliance with authorities. We also reviewed the summary of errors and management letters to school boards. Where necessary, we followed up with the appointed auditor to clarify issues reported.
